Message from Mr Priestley

The children have settled back really well after the festive break and it has been a real pleasure to see the hard work going on in the classes. The highlight of my week is the Friday assembly when we hear from the teachers who they have chosen for the tea party. Some of the reasons given are to do with the work that the children have produced. It is also amazing to hear about the acts of kindness that happen in school, particularly when pupils help their peers who might be struggling with something. These children really deserve recognition and the tea party is our way of making sure that they know how appreciative we are of their selflessness and acts of kindness.

It is the time of year where we are experiencing lots of bugs and illnesses in school - could you please speak to your child about the importance of handwashing to help prevent the spread of these minor ailments.

Year 6 Trip to the Holocaust Centre

Our Year 6 pupils had a fantastic day out on their school trip where they learnt about Leo's life before and during the Holocaust. They also heard an account from a survivor. The children were a credit to the school, and their behaviour was excellent. Year 6 Team.

Year 4 Residential to Sherwood Forest - Thursday 5th - Friday 6th March 2020

Our Year 4 Residential trip is fast approaching - please ensure that you have paid the final balance by the end of January at the latest via Squid school pay. Many thanks.

Squid - Dinner Money

Please ensure that your child's squid account has enough credit on if they are having a school dinner and/or if they would like tuck at break time. We are unable to process a dinner if there is not enough money in the account to pay for a meal (£2.30). Your child's account should not be showing a minus, and we would be most grateful if you could clear any outstanding money owed. Any problems or queries, please contact Mrs Angell in the school office. Many thanks.
