Dear Staff, students, and parents of Sherwood Street school,

A big thank you! And a massive “WELL DONE!” For your Harvest donation of 103.7 kgs. to the Sherwood Forest Food Bank. This will provide 321 meals

It was very generous of you all, to undertake such a practical way of supporting us here at the Food Bank.

We really appreciate your hard work and sacrifices that you make for us.

It is very encouraging to know that groups of people such as yourselves support what we are doing. We wouldn't be able to continue this work without your help.

Often through no fault of their own, our clients may quickly find themselves in “crisis”.

Sometimes the reason may be benefit delays, low wages, debt or benefit sanctions, but it leaves them unable to feed themselves or their families.

We are able through the kindness and compassion of people like yourselves; to offer them support and help with enough food for three days.

Thank you once again for your care and kindness in supporting our cause.

The Sherwood Forest Food Bank.
