NEWSLETTER - FRIDAY 8th June 2018

RNLI visit and Art day

On 22nd June, the RNLI will be visiting the school to deliver an assembly and workshop sessions on water safety with the children. In conjunction with this visit, each year group will be creating a piece of artwork inspired by the sea, beaches or water. This will be led by the class teachers and all art work will then be displayed in an open school exhibition at a later date. Once all the work has been completed, we will set a date for parents/carers to come in after school to see the wonderful artwork the children have produced. You will be welcome to visit all year groups and see all of the work produced.

Thursday 21st June - Whole School DT project

As part of a visit from the RNLI, Sherwood Juniors and Leas Park have decided to hold a DT competition. Every class will need to create a 'flotation device' from recycled items. Each class will then test their projects and the teams with the most successful or effective models will be sent to Leas Park to be judged in order to identify an overall winner. Likewise, we will receive their best entries to judge ourselves. We therefore need as many donations of recyclable materials such as plastic bottles, plastic tubs, cardboard, and whatever else you think may be useful, to be brought into school. Please pass them on to your child's class teacher as soon as you can.

Details of Baking Competition

Warsop Parish Council are holding a cupcake competition between local schools to raise money for an Alzheimer's charity. Children are invited to bake a cup cake on a theme of their own choice and to bring it into school on Thursday 14th June. We will be selecting some school winners (based on the appearance of the cake) to be judged against entries from other schools and there will be prizes on offer. To raise money, there will be an entry fee of 20p per child and the rest of the cakes will be sold to pupils at break time on the same day. Children can bring 50p in if they wish to buy a cake. All funds raised will go to the parish council and sent to charity. This is a great way to raise money for a charity which is researching a medical condition that affects so many people in this country.

Healthy Eating Cookery Club

Recently, ITV came in to record a piece on the fantastic work that the Healthy Lifestyle team do with some of our children in cooking club. The children were filmed learning about healthy eating, preparing and cooking food, and were also interviewed! This will be aired Monday 11th June on ITV at 6pm and 6:30pm.

Fathers Day Lunch

We are really looking forward to seeing everyone for our Father's Day Lunches on Friday 15th and Monday 18th June. Just a reminder that if your child usually has sandwiches, they are expected to have a school dinner on this day.

Lost Property

If your child has lost anything, please come into school next Friday 15th June, to have a look through the items to see if they belong to your child. We will be clearing everything out and recycling everything that is left. Thank you.

General Data Protection Regulations (GDPR)

Reminder - can you please return your completed GDPR form to the office as soon as possible. If you have not received a form, please pop into the office for a copy. Thank you.
